SALES SAMPLES

Our available sample products for the season.

SUSTAINABLE CHOICE

This item is made from Ökotex, organic, recycled or PFC-free material.

CONTINUING THE CLUBHOUSE LEGACY FROM FALL WINTER 2024, THE PRE SPRING 2025 COLLECTION DRAWS INSPIRATION FROM OUR RICH ARCHIVES, PAYING HOMAGE TO OUR ASSOCIATION WITH THE MUSIC CULTURE OF THE Y2K ERA – A TIME WHEN J.LINDEBERG DRESSED MUSIC ICONS FOR BOTH THE NIGHTCLUB AND THE GOLF CLUB, INFUSING THE SPORTS SCENE WITH AN EDGY AESTHETIC THAT RESONATED BEYOND THE GREENS AND COURTS.

This season, we remix the vibrant Y2K era's graphics and prints with a contemporary twist, and include a techno take on fabrications that showcases our technological advancements in construction and innovation.

The PS25 collection unfolds in two harmonious color drops, one purple and one turquoise, designed for easy mix-and-match. The prints include 'Resonance', inspired by digital glitches, beats and the rhythm of music, that offers a 3D-like structure coming alive upon wear. The 'Micro Bridge' pattern and an ombre print story further enrich the collection, offering a fresh take on the Bridge logo and introducing gradient hues across jersey tops, base layers and dresses.

In the tennis collection, key styles include the Eliana Bodysuit, with a one-piece color block design and intricate border details, and the Niccolo T-shirt – offering a unique and modern blend of color blocks and prints. In golf, the Lindsey Dress emerges

as a standout piece, featuring a built-in bra and ventilated cut-out details, crafted from an OEKO-TEX® certified fabric. For men, the Charlie Polo, crafted from our temperature regulating TX Jersey 37,5® fabric, features a sleek placket, welded cutting line and mesh back, offering strategic ventilation. The collection also introduces the lightweight Thea and Tyler windbreaker jackets, designed to shield against the elements without compromising style.

Recognizing the active lifestyle of the J.Lindeberg consumer, PS25 offers a curated 'Lifestyle' range for off-court and off-course appeal. The pieces are crafted from an ultra-soft stretch fabric and a soft microfiber rib, ensuring that style and comfort extend beyond the play.

A crossroad of past and future, sport and music, functionality and fashion – the Pre Spring 2025 sports collection is designed for the modern athlete.
