## SUSTAINABLE CHOICE

This item is made from Ökotex, organic, recycled or PFC-free material.

# CONTINUING THE THEME OF A SUMMER TOUR, OUR SPORTS COLLECTION TAKES INSPIRATION FROM THE ATHLETIC HAVENS OF THE US, CELEBRATING ICONIC SPORTS AND THE LIFESTYLE THAT SURROUNDS THEM. IT MERGES CLASSIC AESTHETICS WITH CONTEMPORARY SPORTSWEAR TECHNOLOGY, HIGHLIGHTING OUR INNOVATIVE APPROACH TO BRIDGE SPORTS AND FASHION.

The SS25 collection draws its primary inspiration from the prestigious golf majors like the Masters at Augusta and the US Open, infusing elements from these iconic tournaments into each design. Our color strategy this season is intentionally narrow, focusing on two key narratives that embrace both nostalgia and a forward-thinking graphical approach, ensuring every piece is both functional on the green and stylish beyond it. Vivid azalea pinks and fresh hues pay homage to Augusta's famous 13th hole, while a sophisticated palette of rainwash blues, black and greys reflects the essence of Oakmont and Cave Hill. Micro prints and intricate embroidery, such as the Eisenhower tree on polo shirts, capture the spirit and heritage of the courses.

Dedicated to the golf enthusiast, the golf collection celebrates our partnership with USA Golf, featuring designs inspired by the great American courses. It includes technically refined pieces like the lightweight jerseys and hybrid knits in lyocell and silk, which offer both luxury and functionality. We're also extending our shoe collection with a new high-top and low-top sneaker for both men and women, marking the next step in our golf shoe revolution.

The outdoor segment is inspired by the rugged beauty of Annapolis, with pieces crafted to withstand the elements while easing flex-

ibility and movement. This includes the Pro Pack styles featuring advanced fabrics like knitted sweaters that integrate mesh and 3D knitting technologies. The collection also highlights a versatile range of accessories including bags and belts, focusing on functionality with a stylish edge, suitable for both urban explorers and trail adventurers.

Enhancing athletic performance without sacrificing the signature J.Lindeberg edge, the SS25 sports collection is as innovatively sporty as it is stylish. Our innovations also extend to the golf course, with "Pro Tech" pieces made from performance fabrics such as the thermo-regulating 37.5 Jersey and Tech Mesh. "Lux Golf" offers elevated polos and pants, as well as waterproof and wind proof shell jackets and knitwear. Both ski and golf includes "Back to Back Bridge" styles, a new iconic design with a cut and sew Bridge logo detail, as well as "Motion Mid-Layers" featuring breathable Motion Merino and stretchy Future Fleece for ultimate comfort.

As a bridge connecting clubhouses, cultures and communities, the Fall Winter 2024 sport collection merges retro vibes with contemporary techniques – offering versatile pieces ideal for a modern active lifestyle.
